CUSTOM SPONSORSHIP

Should your organization wish to further enhance your presence and create an even larger impact and impression on delegates at NOFNEC 2019, we can customize sponsorship packages above the Rushing Waterfall (\$5,000) level.

CUSTOM SPONSORSHIP WILL BE EXCLUSIVELY TAILORED TO YOUR NEEDS.

Depending on the investment, the Planning Committee may consider benefits such as exclusivity and Presenting Sponsor status should this be of interest to your organization. Please contact EcoSuperior Environmental Programs directly if you would like to further discuss these types of opportunities. We are standing by to assist your organization in customizing a top-level sponsorship that will help your brand stand out from the crowd.

We look forward to hearing from you.
